

Specification			
Commodity	600mm T5 Tube		
Model	SLIM5-6-Bx-001		
Size	L570/W23/H35mm		
Parameters			
1	Plastic parts	PC + fiber	
2	Radiator	6063 Al	
3	Color	Silver	
4	Base	T5 Integration base	
5	Lamp Cover	Frosted	
6	Beam angle	180°	
7	Wick	64pcs led	
8	Color Rendering Index	>83	
9	Power	7W	
10	Light flux	600lm	
11	Color Temperature	2700-6500 K	
12	Working Voltag	AC100-240V	
13	Expected Lifetime	±40,000 hr	
14	Certificates	CE RoHS	
Packing			
Q'ty per carton	30 pcs	Net Weight KGS	Gross Weight 5.5KGS
Master Carton Size	63.5x23.1x.13.8mm	Mark	Others
<p><b>Others:</b></p> <ul style="list-style-type: none"> <li>- ★ - in accordance with CE, ROHS requirement.</li> <li>- ★ - energy saving is approximately 80% of the significant bulbs, effects in economic benefits</li> <li>- ★ - High-power LED with special radiator, which is large space, light weight, good convection ,good radiator , low temperature and long lifespan.</li> <li>- ★ - Ra is very well, reflection of the color is closer to natural light.</li> <li>- ★ - low temperature, non-ultraviolet and infrared radiation, environmental protection and energy saving</li> </ul>			
<p><b>Applications</b> (Replace Halogen bulbs&amp;Metal Halide bulbs in household,hotel,supermarket, etc.)</p>
